## Students Speak

“Genius without education is like silver in the mine”. This is a quote said by Benjamin Franklin. I feel honoured to be a part of this marvellous institution of education. As I flip to a new chapter in the book of my life, I look forward to building more learning and experience. Modern Hr. Sec. School as a whole has helped me to mold me into a better version of me. I hope, my another year of stay in this institution will be a versatile one. Modern- True Education
